PANOS E ENCANTOS

O mundo mágico das bonecas de pano ganha vida pelas mãos de artesãos e costureiras dedicados a essa arte que encanta crianças e adultos!

Cada boneca carrega memórias singelas, histórias e sonhos de infância...

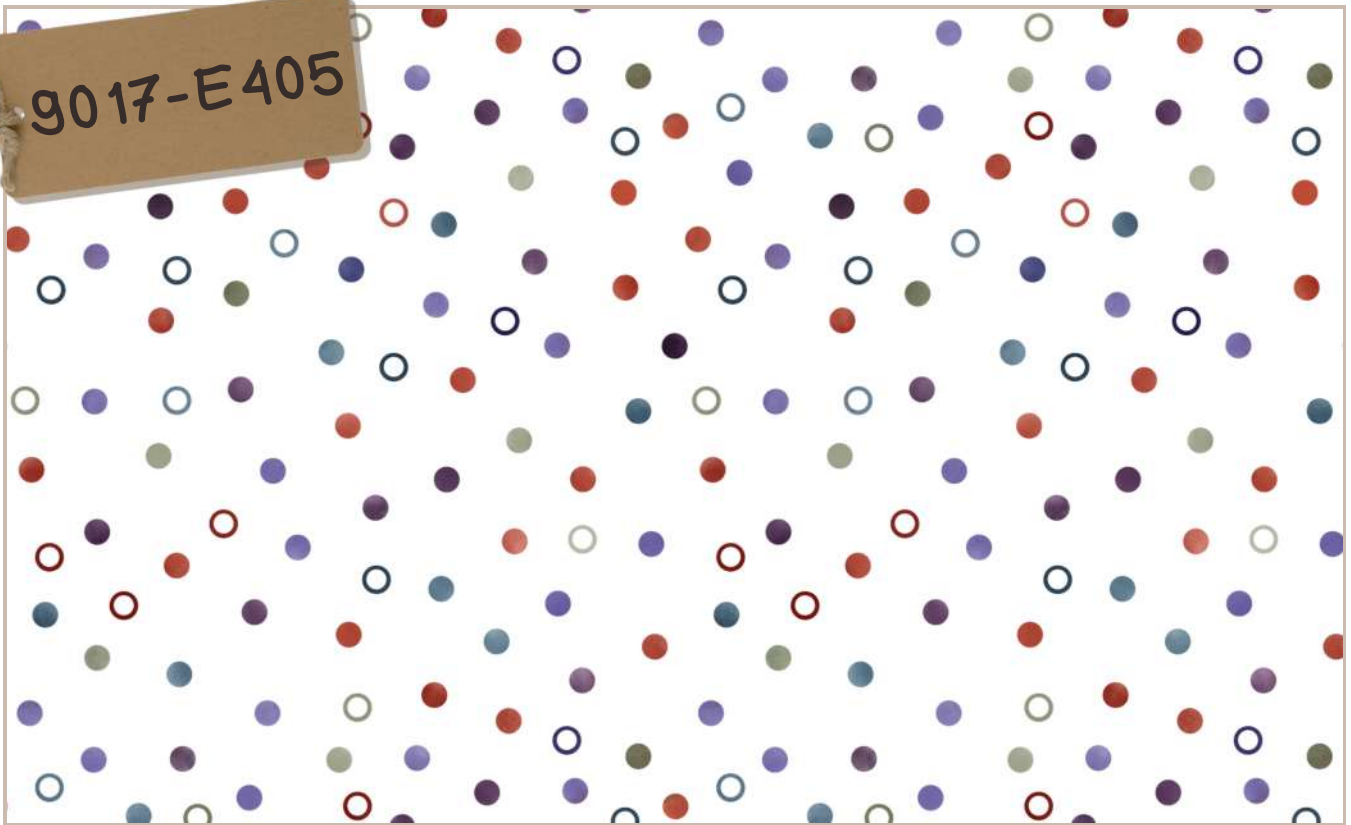

Por isso, na coleção Panos e Encantos, trouxemos estampas suaves e delicadas, pensadas especialmente para as bonecas e bichinhos de tecido.

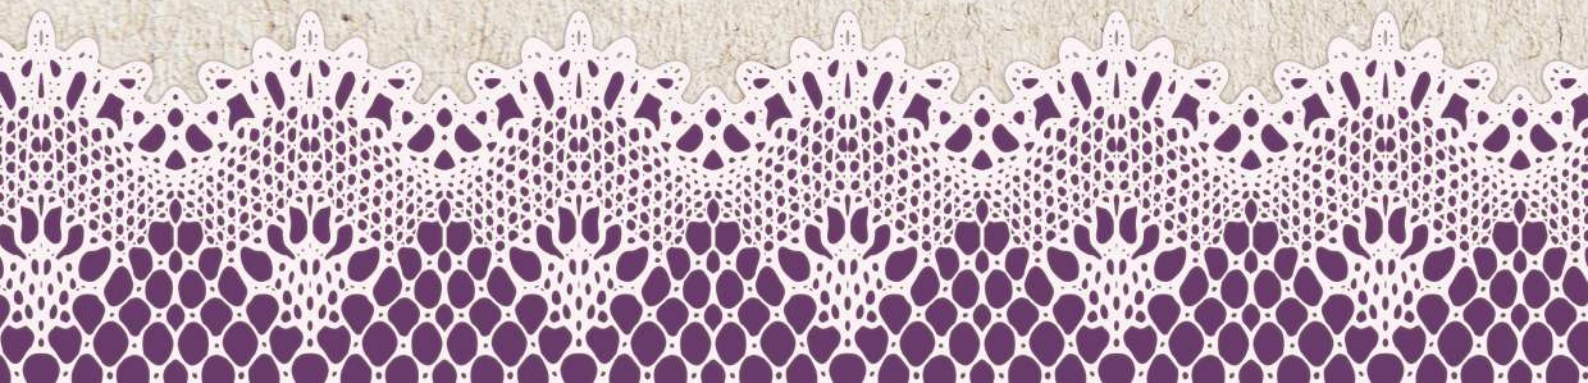

Para cada boneca: uma estampa, um encanto!
